Chairman Interviewed for *Newsweek International*

An interview with JESCO Holdings, Inc. Chairman and CEO Toshihiro Matsumoto appears in the November 26, 2021, issue of the American weekly news magazine *Newsweek International*.

Matsumoto, addressing the theme of Japanese companies that are building a green revolution, spoke about his company’s initiatives and achievements in such areas as renewable energy, disaster prevention and mitigation, and international airports in the ASEAN region. In connection with JESCO, he stressed that it would continue promoting sustainability management.
